## Powerfully Pro-life: Using Reason and Ethics to Make the Case

Learn how to explain  
the pro-life position to  
people of all ages and  
beliefs.

### **Laura Kolbe**

Laura Kolbe is a certified instructor with Healing the Culture, where she trains students and adults in the philosophical foundations of the pro-life movement. She previously worked as a high school theology teacher and campus minister in Washington State. Laura is a wife and mother of five children.
