

Flooding from a series of storms in this record water-year has caused significant problems for many Lemmon Valley residents. The hardest hit areas are adjacent to or near Swan Lake, but other locations are affected as well. Some have lost access to their homes, have had furniture and belongings destroyed, and lost livestock.

Recent statements from Washoe County officials suggest that the recovery process will be months-long, and conditions may worsen as additional storms and runoff add to the levels of standing water.

**Fr. Thomas Babu and Saint Michael Parish would like to reach out to those in need.** We ask parishioners and friends of Saint Michael Church for donations that will be used to assist the Lemmon Valley residents in need.

If you can donate, please do so with a check to **“Saint Michael Church”** and state the purpose of the check as **“Priest’s Charity – Lemmon Valley”** in the “For” section. Drop it off at the Parish, or mail to:

St. Michael Catholic Church
